

Hardscape Limited Warranty

Your hardscape is accompanied by a 2 year limited warranty on all labor and a limited warranty on the blocks and pavers themselves.

Products:

Stone & Garden primarily works with the following manufacturers of precast concrete material: *Belgard, Building Products, and Unilock*. These manufacturers of hardscape products (pavers & wall block) carry their own warranties which may vary from one to another. These warranties apply to the precast block or paver specifically. We can explain the specifics of the product warranty confirmed with the selected block product manufacturer upon selection.

Installation/ Workmanship:

This warranty is strictly limited to contract work performed by Stone & Garden Supply.

From the date of installation, we guarantee your hardscape installation from settlement of pavers and walls, and from separation of wall units for a 2 year period under normal wear for which the installation was designed. For example if vehicles or equipment are driven over a walkway causing settling of pavers, and the walkway was designed and installed for pedestrian use only, we will not be held accountable for damage from these actions.

This warranty does not apply to efflorescence. Efflorescence is a naturally occurring process in all concrete products that sometimes appears in the form of a white powdery film on the pavement surface. It does not, in any way, compromise the functionality or the structural integrity of the product. Although efflorescence cannot be prevented, it will wash off over time or can be cleaned with an efflorescence cleaner. We do not warranty or assume liability for this condition.
